September 2009

Dear Bridge Player

You are invited to participate in this competition for the coming season.

The leagues are split into divisions of not more than 6 teams (usually 5 teams), so there will be a maximum of 5 matches (usually 4 matches) to be played over a 7 month period from October to April. The winning team from each division will be invited to play in a final held in May.

Matches are played in team member's homes (or any other venue by mutual agreement). Matches are of 20 boards (or 24 boards if both teams agree). The matches are intended to be sociable as well as competitive and are an ideal opportunity to meet players of a similar standard. If you have not played a 'teams' match before I can send instructions for how to play and score your match.

The competition is open to all player BELOW the rank of 'Tournament Master'.

Four players are needed to form a team but additional players may be used as reserves or substitutes provided they have not played for another team in the current season's competition. Team members need not be members of the Surrey County Bridge Association or of the EBU.

If you would like to enter, please complete the entry form overleaf and return it to me by the end of September 2009. The entry fee is £8 per team (please make cheques payable to SCBA).

I look forward to hearing from you.

Regards

Leigh Harding
