July 2010

Dear Club Secretary

I have taken over the organisation of the Intermediate Teams League from Leigh Harding this year.

This competition has been running successfully now for several years. It has attracted good support in the past and we are hoping to build on the success of last year and increase the number of teams participating. The competition is open to all players below the rank of Tournament Master.

As a club secretary you may know of players at your club who might enjoy participating. The matches are intended to be friendly and sociable as well as competitive and are ideal for players to meet players of a similar standard. The league is split into divisions of usually 5 teams, occasionally 6, so there will be a maximum of 5 matches to be played over a 7 month period from October to April. The winning team from each division will be invited to play in a final in May.

Team members need not be members of the EBU but successful EBU members will receive Master Points.

I attach an entry form plus a flyer for your notice board. If you require hard copies of the entry form I can post them to you.

I do hope you will be able to encourage entries from your members, last year's participants greatly enjoyed the experience.

Regards

Trevor Hobson

P.S. There is also a separate Novice Teams League for bridge students or players with up to four years' experience. If you have any teaching groups at your club let me know and I will send further details.

Intermediate Teams League 2010/11

For bridge players with more than four years' experience but who are below the rank of Tournament Master.

A sociable and fun bridge event.

Open to all. Membership of the EBU is not required. Master points available for EBU members.

No previous experience of playing in a bridge team is necessary.

Play 4 or 5 matches between October and April.

The winning team from each league qualifies for a final in May 2011.

A team consists of four players, plus substitutes if required, so get some of your friends to make up a team, take the plunge and have some fun.

Closing date for entries 30 September 2010.
