Dear Bridge Teacher,

I have taken over the organisation of the Novice Teams League from Leigh Harding this year.

The Novice League is intended for students who have completed one or more years of lessons and individuals who have not been playing for more than 4 years. As last year we are asking entrants to get their teacher to sign the entry form to ensure that all entrant are bona-fide students. The league is split into divisions of usually 4 teams so there will be a maximum of 3 matches to be played over a 6 month period from November to April.

The Novice League is an ideal opportunity for students to put their bridge learning into practice and get to meet other students in a gentle competition. It is also an excellent introduction to team bridge. We would like to build on the success of last year and if possible even increase the number of teams entering this year. I would be glad if you would make your pupils aware of this event and encourage and support groups of four to enter.

Please do not hesitate to get in touch if you need any further information.

Many Thanks

Trevor Hobson
